Please Participate!

To assist the Forest Service in identifying and considering issues, opportunities, and concerns on the proposed action, comments during scoping should be AS SPECIFIC AS POSSIBLE. Use the information provided in this letter and refer to specific areas on the enclosed maps. Please identify areas of particular concern. Larger-scale maps are available at the Seward Ranger District.

Byron Glacier Road improvement and recreation facilities enhancement project

PROPOSED PROJECT: Improve public health and safety by repaving and stabilizing the road surface and enhancing recreation opportunities through development of a picnic area and elevated viewing platform.

LOCATION: Portage Valley, Chugach National Forest

SUMMARY: Continue to manage Forest Service roads and facilities to ensure the health and safety of all visitors while diversifying recreation opportunities.
